

# TEN REASONS TO SUPPORT **WVD**

I support World Vasectomy Day because for men whose family is complete it is the safest and most secure option currently available.

I support World Vasectomy Day because it is right that men share equal responsibility for family planning.

I support World Vasectomy Day because a vasectomy is less invasive than tubal ligation and safer than taking hormones or chemicals.

I support World Vasectomy Day to help train vasectomy providers worldwide..

I support World Vasectomy Day so families everywhere have access to male reproductive health services..

I support World Vasectomy Day because eliminating fear of unintended pregnancy can improve our sex life.

I support World Vasectomy Day to inspire respectful dialogue between men and women

I support World Vasectomy Day to lower the number of unintended pregnancies on this planet.

I support World Vasectomy Day, not to deny the joy of parenthood, but to increase the quality of life for those who are already alive.

I support World Vasectomy Day for our planet's future.
